

The D-N-A of Airport Safety

Dan Cilli retired from the FAA after 34 years in aviation safety. For the past 8 years, he was a contract analyst on the Runway Safety Team in Atlanta. Dan is well known across the country as a subject matter expert on runway safety. He will be speaking on numerous issues effecting airport safety. Don't miss this exciting and informative briefing.

Directions: Airport Authority Conference Room

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
